## ABOUT THE WORK

Forbes Magazine claims Kylie Jenner's a "self-made billionaire" and Cleo isn't having a bar of it. She's got a lot to say, and on the internet, actions don't always speak louder than words...

"Look it's two tweets that helped me vent my frustrations. It's really not that deep."

As URL beef brings up IRL tensions, Cleo and Kara have more issues than getting #blocked will solve. If Black Twitter hasn't snatched your edges yet, these two bawss-babes surely will. *Seven Methods of Killing Kylie Jenner* is a deep dive into the murky waters of colourism and the commodification of Black women.
