& WHO?

WHAT IS THE AMBASSADOR PROGRAM?

We are looking for twenty passionate, creative and ambitious young arts leaders to be La Boite Ambassadors for 2019. Ambassadors will learn, collaborate and work with La Boite for a whole year.

HOW WILL IT WORK?

The La Boite Ambassador program is about our relationship with young and emerging artists, arts makers and theatre lovers. It's about opening our doors and providing access to La Boite for learning and insight.

It's about privileging the experiences and opinions of young people. It's about encouraging young people to be responsive to the work we make. It's about activating our rehearsal spaces and having young artists represent our company publicly. La Boite Ambassadors represent the future of the Australian arts sector.

In 2019 our Ambassador program will be responsive to the needs of our applicants. We will work with the selected Ambassador group to create a program that caters to them and their skills, in addition to a curated program of activities and experiences.
